

60 Homes Due In Subdivision

Start of construction of the first five of 60 homes which will be built in Oakwood Park, located in the southern part of Redwood City about 600 feet north of Selby Ln., was under way today following issuance of building permits for the venture by the City of Redwood City last week.

The new subdivision has been acquired by the Home Development Co., which is owned by Brassy & Nicoli of Redwood City and Arthur Martin of San Francisco. C. L. Wold Construction Co., long established and reputable San Francisco firm, has the contract to build the homes, which will range in selling price from \$5300 to \$5600. The houses, some of 5-room and some of 6-room construction, will be situated on lots of various sizes, most of them being about a quarter acre in size.

Auto Dealership Taken by Bourquin

Harry Bourquin of Oak Knoll Dr., Redwood City, a resident of this community for 17 years and engaged in the automobile business as salesman for the past 4 years, has announced establishment of his own concern—a dealership for Hudson motor cars.

Bourquin's show rooms and service department are located at 838 Hamilton St., Redwood City.

In announcing his venture, Bourquin explained that he had chosen to handle Hudson automobiles, which now come in six lines of cars covering all fields, because of the favorable reception given the new models by the public. Bourquin has the new models on display.

"In the 11 weeks since the 1940 models were announced, there have been as many Hudson motor cars sold as there was during the entire year of 1939," Bourquin said.

He disclosed that approximately 100 new Hudson dealerships had been established this year.

KEEP YOUR RED CROSS READY

THIS striking painting of a Red Cross nurse keeping the symbol of mercy flying is the keynote of the 1939 appeal for membership in the American Red Cross. Faced with the need for strengthening daily Red Cross services in 3,700 chapters, and with its chartered obligation to aid in some measure in meeting the distress of the men, women and children refugees in war-torn countries across the sea, the Red Cross asks every man and woman in the nation, able to do so, to join as a member this year and support America's official voluntary relief agency.

Ruskin Williams, a distinguished artist, is creator of this ideal conception of the nurse heroine.

The roll call for members will be held November 11 to 20—join through your local chapter. Help your Red Cross help others by becoming one of the millions who will add their names to the roll of mercy.

Stanley Kelly Loses Last Appeal for Job

The State Supreme Court Friday notified Dist. Atty. Gilbert D. Ferrell that it had refused a petition for a hearing on the case in which Stanley Kelly, former county purchasing agent, sought a writ of mandamus to force the county to continue to pay his salary. The office was consolidated with that of county executive and Kelly's pay stopped.

Both the trial court and appellate court refused to issue the writ. Refusal of the supreme court to hear the case is believed to be the final act of the legal drama which once was headlined as a major county issue.

Railroad taxes in 1938 averaged nearly \$650 per minute.

Clubs Plan For 'Charter Week'

Nov. 27 to Dec. 1 has been designated as Charter Week for the Young Men's Christian Association Clubs of San Mateo County.

Twenty-six charters will be given out to the clubs which have qualified under the county committee of management headed by Wilbur H. Dossie, chairman.

All "Y" clubs will hold special meetings to dedicate themselves to the aims of the YMCA—to create, maintain, and extend throughout the school and community high standards of christian character.

The following qualifications are required for charters: There must be at least 12 registered members; the club must accept the air of the YMCA; the program of the club must be developed to carry out the purpose of the organization; each club must have a meeting place; each club must have a leader; each club must have its officers functioning and a constitution acceptable to the committee of management.

Many of the high school clubs will be given charters at the Inter Hi-Y Induction Ceremony Nov. 27 at Burlingame Methodist Church.

The Redwood City district under the chairmanship of Cuthbert B. Currie will give charters to "Y" Pioneers in Belmont led by Bob Bebb; the Mabyacs Pioneers of San Carlos led by Martin Sward; the San Carlos Friendly Indian Club led by Bob Walton; the Williams Pioneer Club of Redwood City led by Robert Olson; the "Y" Oaks of Redwood City led by Brian McNeil; the Progressive Junior Hi-Y Club of Redwood City led by Norbert Lambert; the Sequoia Hi-Y Club led by Ronald Anderson; the Junior Hi-Y Club of Menlo Park led by Oscar Olson; the Happy-Go-Lucky Club led by Earl Whitaker; the Mohawk "Y" Club led by S. B. Saboff; the Mohicans Friendly Indian Club led by John E. Gardner; and the Sequoia Junior Hi-Y Club led by Robert Poole.

Peninsula Branch, YMCA, executive committee will meet for breakfast Sunday at 8 a. m. in the Town House in Burlingame under the leadership of Chairman Dossie.

Charges Decided On In Double Slaying
Sheriff James J. McGrath Friday announced that he believed the investigation of the Ray Lagomarsino-Leo Tyma killings at Wavercrest Tavern near Half Moon Bay Nov. 1 would result as follows:

Ray Thompson, who escaped from Folsom Oct. 20 with Lagomarsino and Tyma, will probably be returned to Folsom for prosecution by Kern County authorities as an escape. He said Thompson might be charged with the burglary of the home of Dep. Sheriff George Krehl, Daly City.

James Lee, San Francisco Korean, friend of the two slain convicts and eye-witness to the killing, would be turned over to San Francisco police on a charge of harboring criminals.

Mr. and Mrs. Verne Fleck, proprietors of the tavern, will be prosecuted for harboring criminals. McGrath was to sign a formal complaint today.

Loge Seats Offered At Reduced Cost

The Fox Sequoia Theater attendants are offering on sale to their theater patrons, at reduced cost, loge tickets for the price of general admission tickets.

Inaugurated last Christmas, these so-called "Goodwill Tickets" are a means of earning Christmas bonus money, which is a gesture of appreciation extended to the employees who otherwise do not have an opportunity of working for same.

The unique plan also protects the investor inasmuch as a limited quota of loge seats, upon presentation, would still avail the patron of the opportunity of securing these choice seats on his or her next visit to the theater, simply upon presentation of the stub of a goodwill ticket, plus a general admission ticket.

Manager Hal Honore urges his patrons to help the theater employees earn bonuses, explaining that "after all, it is simply a case of securing your tickets a few days earlier than by purchasing them at the time of the actual show, and of course, the offer of loges at general admission prices is really a saving."

The Fox Sequoia Theater, besides running one matinee today, due to the Holiday Week, will operate a continuous policy on Thursday, Thanksgiving Day, with an early bird 30c price till 2 o'clock.

Storm Coming! - and Miles From Home!

"What the heck is the jam when winter comes?" might well be the title of this picture showing the troubles that thousands of motorists encounter about this time of year. "Stalling" frequently occurs, according to Don Dawson of General Petroleum Corporation, just because motorists forget to have their cars "winter-proof" inspected. The scene was posed by Jed Prouty and other members of the famous Jones family of Twentieth Century-Fox Pictures.

German Writer Here To Write of Coast

MILLS FIELD, Nov. 17—Monocled, middle-aged and unmistakably German, and met here in person by Capt. Fritz Weidemann, German counsel at San Francisco, Baroness Felicitas Reznicek arrived this morning by plane from Washington, D.C. Newspaperwoman and author, she is on the West Coast to write

stories for German newspapers—not political stories, she emphasized.

When she was a visitor on the Peninsula last year, she stayed at Weidemann's Hillsborough home. But this year she is staying at San Francisco.

In an interview with reporters, the Baroness stated that the German man on the street feels that the present war is absurd and he has little, if any, enmity towards the French and British.

She also took the occasion to deny reports of food shortages in Germany.

She further seized the opportunity to deny that the German people are antagonistic towards Hitler.

"They have learned that the Allies have agreed to peace if Hitler is overthrown, but they remember vividly similar promises during the World War when the ruler involved was an emperor."

Yule Shopping Outlook Good

Indications that this would be one of Redwood City's best Christmas shopping seasons has come from several sources.

First, the Bank of America disclosed through its president, L. M. Giannini, that in this city alone, \$43,450 will be paid on Dec. 1 to 715 Christmas Club members. The funds represent savings accumulated this year in the Bank of America's Christmas Club. Throughout California some 215,000 members will receive about \$14,000,000—16 per cent more than last year. In the nation, \$350,000,000 will be distributed to more than 7,000,000 Christmas club members in various banks.

Other evidence that business on the Peninsula is better this year—and that consequently Christmas shopping should be more lively—came from San Francisco Peninsula Inc., the promotional organization formed to publicize the Peninsula.

New car sales during 1939 increased 33.8 per cent over those of 1938, while in Alameda County the increase was 22 per cent; in Marin County, 32 per cent. Postal receipts are showing a gain. In Redwood City, receipts are averaging more per month than in 1938 and probably will run over \$85,000 by the end of the year, contrasted to \$83,676 for 1938. In Burlingame, the post office is showing a 12 per cent gain. On the Coastside, an increase is being shown also. Building permits are increasing also in nearly all Peninsula communities.
